

What* Makes* Us* Different* from* the* Rest*?

It's worth reading about...

~ We proudly celebrate **ONLY ONE BIRTHDAY** at a time! It's truly a private atmosphere ~

~ There's **NO** sharing of space, runways or competing for attention
among other parties - it's **ALL** yours ~

~ Our parties are **AFFORDABLE**; extra girls beyond the first 9 are only **\$12 a piece**
for our most popular themes! **WOW** ~

~ Adults (parents, relatives, friends...) have lots of **COMFORTABLE SEATING** ~

~ We **ALWAYS** welcome favors & food from outside sources;
whatever works best for your budget and needs ~

~ And remember, you can always order **OUR** fabulous-themed favors - just ask ~

~ Our Sugar & Spice Girls are well-trained, loyal and work as a team to deliver a fabulous party ~

~ We are privately owned, participate in the **3/50 project** & have celebrated birthdays for 5 years ~

~ We giveback to our town and surrounding communities through support of elementary schools,
PTA/PTO's fundraisers, cheer sponsorships, various foundations benefiting children
such as Cystic Fibrosis Foundation, Spencer Taylor Scholarship and Girl Scouts ~

~ And lastly...You bring the **CAKE** and **WE** do the rest ~

Wow - that's a long list of things we are doing RIGHT so that your party is perfect!
